Pull the ends of the two (2) flaps together and insert the short flap into the diagonal pocket of the longer flap to make a small, round loop perpendicular to the other white flap.
40.

Mountain fold into the nearer pocket, wrapping around no extra layers.

Spread the outer edges apart at the top by breaking the folded edge between them. (To break the fold, spread it slightly from underneath and push it in.)

Finesse the shape of the 'B.'

Shape each 'O' and push the exclamation mark down into alignment with the letters.
