

Shamrock

By Wensdy Whitehead

and 4-Leaf Clover

Recommended Paper: 3"- 6"
(75mm - 150mm) square, green,
thin or foil-backed..

RAT fold parallel to the book fold.
Pinching the quarter mark for a
landmark is also an option.

Flip fold the existing
crease, allowing a layer of
paper to come out from
behind. No new creases.

Steps 5-8 repeat
steps 1-4 vertically
without unfolding.

Flip fold the existing
crease, allowing a layer
of paper to come out
from behind. No new
creases.

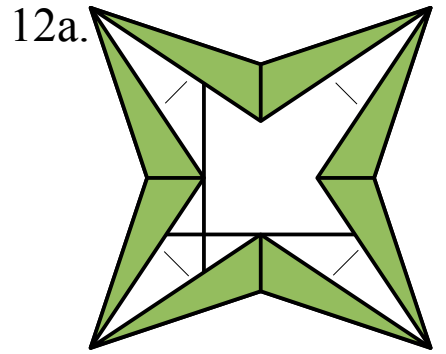

Pre-blintz, in case the
upcoming V-squashes
miss corners.

11a. RAT V-squash 4 sides inward, trying to reach precisely to the outer corners.

11. RAT V-squash 3 sides inward, trying to reach precisely to the outer corners.

12a.

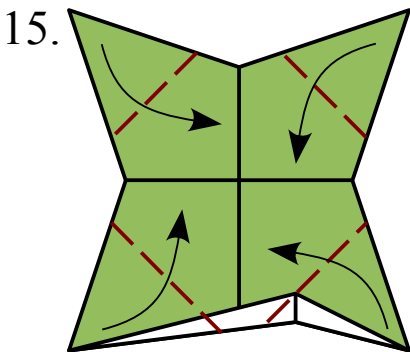

13. RAT V-squash the remaining side inward, again trying to reach precisely to the corners.

14. Hide the corner.

Blintz.

Blintz.

Done!

Done!

Press your leaf in a book (just like a real leaf) to make it extra flat.
