Valley fold upward, pulling out the triangle.

Peek inside.

Close back up, tucking the corner into the pocket.

Bend the ends toward each other.
37.

Hook the outer layer of the white triangle around the hidden triangle in the other end. Temporarily spreading the ends and flattening the triangles can help accomplish this.

New view.

Spread the loop preparatory to shaping the heart.
41.

Rotate because the thinner side will shape more easily.

Shape the heart.
