

Swan Dish

By Wensdy Whitehead

Recommended Paper:
thick 6"-12" (15cm-30cm) square.

- 1.
- 2.
- 3.
- 4.
- 5.
6.
Inside-reverse fold.
7.
Inside-reverse fold.
8.
Pre-crease, folding edge-to-edge.
9.
Inside-reverse fold.
10.
Unfold to step 4...
11.
...in order to sink as shown. Start with the outline of the trapezoid, then lean the new, short folds forward. Do not flatten. The rear of the bird should take on a curve and not lie flat. Model becomes 3D.
- 12.

Done!
