

# Diamond Dish and Kiss Dish

By Wensdy Whitehead

Recommended Paper: thin 3"-6" (75mm-150mm) square.

1. Half.

2. Quarters.

3. Eighths.

4. Repeat steps 1-3 crosswise, but leave the rightmost pleat folded.

5. Restore the central mountain fold.

8. Open the left side and push in the right.

9. Pinch and fold toward the center to flatten the bottom of the dish. This tends to open it further.

10. New view.

11. Pinch the corners to shape the diamond.
